

I'm intrested

Posted by echirojb - 2010/05/17 05:17

Hello,my name is famy and i'm from malaysia.

i'm interested in being the Betta distributor like you n i would like you to share some tips.May you?hehe..

so, please tell me about how you can succeed ur betta selling from starting until now?

you can also e-mail me at echiro_jb@yahoo.com

thnks a lot.

;)

I do this job with love...and love.

I start to breed and feed betta fish since 10 years old...have a lot of experience before I start to sell betta to international.

I have posted all tips & tricks on my betta fish experience on my blog already.

Please follow this link : <http://bettafishquality.blogspot.com/>

If you have more questions , please feel free to ask me here.
